Your Old Barn Study: Next Steps

- Drum up support in areas with low participation
- Find more people like John Busch!
- Move from a spreadsheet to a database:
 - Enables advanced search
 - Sharing data to OBP members and beyond

Questions for the OBP

- Who is the audience for the YOBS data?
- What data can be public?
- Which fields matter most for search and filtering? (age, location, condition of barn, etc)
- Do you want to be able to search and browse the data?
